

An Update from St. George's Church
by Bryan Essary, Senior Warden
June 30, 2010

As many of you already know, "Phase I" of the repair of the Church is well underway! Primarily, this portion of the repair focuses on the Kindergarten, with a projected finish date of August 1, 2010. Below are a few photographs showing some pre-construction (and post-remediation) areas of the Kindergarten, followed by the same areas after just one week of work:

Ms. Jackie's Room, June 17

Kindergarten Office, June 17

Ms. Jackie's Room June 24

Kindergarten Office, June 24

Our plan is to provide photograph updates to keep everyone apprised of our progress throughout the construction.

Happy July 4th!

Bryan Essary
Senior Warden
