

OUR LITTLE ROSES (HONDURAS)

JUNE 2018, Dates TBD

We are so excited for our annual Mission Trip to Our Little Roses (OLR) in San Pedro Sula, Honduras. OLR provides a residential home for 65 girls - some abandoned and abused. The girls are provided spiritual guidance, a moral foundation and medical and psychological services. Education is a priority with the ultimate goal of assisting the girls in seeking employment and career opportunities. Youth will work directly with these girls through many relationship-building activities. You will also have the opportunity to work on a minor construction project.
