

## OVERVIEW

Campus Support Team volunteers assist the church's mission to "receive, live, and share the abundant life of Jesus Christ" by making sure church physical resources are updated and available each week. This allows the message of the church to reach a high number of visitors and to engage church members on Sundays and throughout the week.

## RESPONSIBILITIES

Specific tasks will vary but may include:

- Replacing depleted materials or removing outdated material in:
  - Information racks (5) outside Hampton Hall, Legacy Hall, Dandridge Hall, and in the Narthex
  - Bulletin boards (2) outside church office and Dandridge Hall
  - Newcomer/welcome areas (2)
- Filling new welcome bags for newcomer displays
- Replacing framed posters in the hallways

## RELATIONSHIPS

Volunteer will work directly with the Director of Communications with additional support from the other staff.

## TIME COMMITMENT

30 minutes to 1 hour each occurrence, with one volunteer scheduled each week during office hours. Timing during the week is flexible.

## SKILLS AND INTERESTS

Neatness; attention to detail; ability to walk all hallways in the church multiple times during shift. Hanging posters (which is optional) would require ability to work on the floor and lift 15 pounds.

## RESOURCES AND TRAINING

Director of Communications will support with walkthrough and instruction, with additional help from Administrative Assistant as needed.
