

## OVERVIEW

The photographer supports the church's mission to "receive, live, and share the abundant life of Jesus Christ" by capturing moments that help tell the story of our community.

## RESPONSIBILITIES

- Taking photos at church events, which may include special programs, receptions, small group gatherings, classes, etc.
- Photos may be taken with high-quality cell phone or with DSLR camera.
- Photos should be sent to Director of Communication digitally within 24 hours or later if agreed upon prior to event. Method of delivery is flexible; Google Drive preferred for sending multiple large photos.
- Photographer may be asked to wear "St. George's Photographer" nametag.
- Photographer would be giving St. George's implied permission to use photos in social media, emails, church website, or printed material. Credit may be given to photographer if requested.
- Photographer agrees to refrain from publicly sharing any photos he/she may take of children under 18 on behalf of the church. The church will vet photos of children before sharing to ensure adherence to the church's privacy policy.

## RELATIONSHIPS

The photographer will work directly with the Director of Communications to plan photos being taken at specific events.

## TIME COMMITMENT

As needed. Time commitment may range from 10-minutes to 2-hrs per event.

## SKILLS AND INTERESTS

Photography; creativity; willingness to approach people to ask for group photos; ability to be discreet and unobtrusive while taking photos. Previous skill or training with DSLR camera is a plus.

## RESOURCES AND TRAINING

Guidance provided by Director of Communications. Access to church computers is available for uploaded files if needed. May borrow church camera after training for on-site events.
