

RE-ENGAGEMENT TEAM

OVERVIEW

The Re-Engagement Team supports the church's mission to "receive, live, and share the abundant life of Jesus Christ" by reaching out to parishioners – both new and longstanding – to make them feel known and welcomed into the community of St. George's.

RESPONSIBILITIES

- Work with Director of Lay Ministry Engagement, clergy, vestry, staff, and other volunteers to establish
- and re-establish contact and relationships with parishioners who may need re-connecting to the
- life of St. George's.
- Work with the Director of Lay Ministry Engagement to identify "lapsed" parishioners, or those who seem to have disengaged, whether because of the pandemic or for other reasons.
- In conjunction with the rest of the team, develop messaging and offerings to share with these
- parishioners to encourage them to re-engage without making them feel guilt or pressure.
- Reach out and establish contact and relationship with these parishioners.
- Know about and offer current opportunities that might be of interest to them.
- If they haven't been back to the church since the pandemic, offer to meet them before or after a service for an informal walkabout tour of the building.
- Connect them with ministries and members who might be a good fit.
- Share any helpful information and communications you have with the Director of Lay Ministry Engagement.
