

LITTEST ANGELS

OVERVIEW

The Littlest Angels supports the church's mission to "receive, live, and share the abundant life of Jesus Christ" by celebrating when little ones are born or adopted into our church family.

RESPONSIBILITIES

The Littlest Angels committee is comprised of parishioners who like to prepare or pick up a meal and deliver it to families welcoming a new child. The church notifies the Littlest Angels Chair(s) with family name and contact, and the child's name and date of birth. The family is contacted by the Littlest Angels committee member to coordinate delivery and note any dietary needs.

RELATIONSHIPS

Friendships are formed when a young family feels supported and loved by the parish. The Littlest Angels provide a loving support with a hot meal for a church family and their new loved one.

TIME COMMITMENT

Time varies with meal prep. The meal and delivery – 1 hour per month

SKILLS AND INTERESTS

Welcoming spirit and hospitality with some organization of meal planning and delivery
