

OVERVIEW

The volunteer Churchball Assistant Coach supports the church's mission to "receive, live, and share the abundant life of Jesus Christ" by assisting the head coach of one of our youth Churchball teams, being a godly example to players, and guiding them as they grow in relationships through friendly competition.

RESPONSIBILITIES

- Churchball Assistant Coaches are expected to be present at all Churchball games. Games are scheduled on Saturday mornings/afternoons from December to February.
- Arrive 15 minutes prior to gametime or sooner.
- Build relationships with players by encouraging them, listening, and getting to know them throughout the season.
- Help the Head Coach with substitutions, timeouts, and other coaching decisions.
- Hold yourself and your players to a standard of behavior that represents not only St. George's, but Jesus as well.
- Support players while offering guidance and correction when necessary.
- Help clean up benches after games.
- Communicate feedback, concerns, and input about how the team is doing to Churchball Head Coach.

RELATIONSHIPS

- The Churchball Assistant Coach will work most closely with their respective Head Coach to lead their team and coach games each weekend.
- Both Coaches will also communicate regularly with the Director of Youth Ministries to offer feedback, receive schedule updates and other pertinent information.

TIME COMMITMENT

Churchball Assistant Coaches commit approximately 60-90 minutes each week there is a game scheduled. This includes arriving 15 minutes early and the game itself.

SKILLS AND INTERESTS

It is not required that coaches have a great deal of basketball knowledge, but it certainly is helpful. It is most important that coaches are consistent, encouraging, demonstrate good sportsmanship, and are willing to mentor and engage with players.

RESOURCES AND TRAINING

Training is provided at a league coaches' meeting at the start of the season. Coaches must also complete Safeguarding God's Children in order to volunteer with you at St. George's.
