

OVERVIEW

Food Support volunteers for the Youth Ministry aids the church's mission to "receive, live, and share the abundant life of Jesus Christ" by providing a hot meal for the guests from Room in the Inn and providing an opportunity for our students to serve and build relationships with them.

RESPONSIBILITIES

- Once a month on a Tuesday night our youth serve dinner for the guests from Room in the Inn and eat alongside them. The Room in the Inn Food Support volunteer provides enough food for both the students and the men.
- Room in the Inn Food Supporters sign up to provide part or all of dinner for the event. The food can be either made or purchased and should be delivered to Akers Hall no later than 6:00pm. Oven safe dishes may be left in the food warmer. Volunteers can bring main dishes, sides, beverages, and/or desserts.
