## Every Gift Makes a Difference

If St. George's is an important part of your life, we want you to share in the exciting changes happening in our midst. Please pledge today to the Living Our Legacy capital campaign. When you pledge any amount you are investing in ways to enhance our worship life, providing opportunities for deeper fellowship and outreach, and you are expanding our capacity to share the light of Christ even more broadly. Use the chart below to see the impact you can have over the next 3 years.\*
